

## HSA Help

### HSA Resources for Students

Here are two sites students can visit to help prepare for the HSA's online:

- [http://hsaexam.org/test\\_prep.html](http://hsaexam.org/test_prep.html)
- <http://hsaexam.org/resources/students.html> (students should scroll to the bottom of the page).

### HSA Resources for Parents

- <http://hsaexam.org/resources/parents.html> (parents should scroll to the bottom of the page). Note: Parents should contact their students' home school for additional information on how to support their student.
